 RE: Best Efforts

Mr. Gibson,

A review of our 2002 Amended May Monthly Report (04/01/02-04/30/02), Amended July Monthly Report (06/01/02-06/30/02), and the Amended August Monthly Report (07/01/02-07/31/02), raised questions by the Commission concerning the identification of each contributor's employment information whose yearly contribution exceeds \$200.00 as required under 11 CFR § 104.3(a)(4)(i).

On the original solicitations, there is a printed request for employment and occupation information for all contributors. Individuals whose contributions exceed the \$200 per calendar year and lack the required information are sent a letter, within 30 days of receipt of contribution, asking for the missing information. A pre-addressed envelope accompanies the letter. The letter and envelope requesting additional information along with the original request, demonstrate the "best efforts" have been used to obtain the missing information.

The amended reports in question provided employment information that we had received up to the filing date of the amended reports. Any additional information received since the last amended reports will be updated on our newly amended reports filed in July 2003 as per 11 CFR § 102.9(d). If you have any questions, please call me at (703) 267-1155.

Sincerely,

Mary Rose Adkins  
 PVF Treasurer
